

WELCOME!

Since our beginnings in 2010, our clean, fresh, spacious stores have always been filled with desirable, reasonably priced merchandise. WorldServe Thrift stores endeavor to effect positive change at home in our communities by engaging our neighbours and patrons in supportive ways. Our stores exist to support national partners around the world who are impacting their countries for good.

We invite **YOU** to consider partnering with us to **MAKE A WORLD OF DIFFERENCE.**

SERVING LOCALLY — IMPACTING GLOBALLY

The donation and sale of your household items is the key to changing someone else's future. This simple exchange brings about a powerful transformation, first by delivering affordable purchases to residents in your community, then by providing people around the world with opportunities, such as education, micro businesses, community health resources, and disaster relief. That's because the net revenue from the stores is directly applied to WorldServe Ministries' mission-driven outreach endeavors in China, Cuba, Ethiopia, Guatemala and Myanmar.

WORLD SERVE THRIFT STORES

Environmentally Responsible — We partner to provide options for sustainable living. When you donate your gently used items, you can feel good that they will be repurposed and reclaimed, keeping excessive volumes out of our landfills.

Socially Conscious — We provide great value-based purchases, encourage creativity, allow shoppers to discover one-of-a-kind items, and provide job training opportunities through volunteering.

Globally Concerned — We are committed to providing resources to WorldServe Ministries for humanitarian aid and other mission-driven endeavors that reach communities in China, Cuba, Guatemala, Ethiopia and Myanmar.

MAKE A WORLD OF DIFFERENCE

DONATE

Feel great about your choice to donate your gently used items to WorldServe Thrift.

Our team sorts all donations received, selecting the highest quality items to be priced and sold. Then, in line with our “pay-it-forward” principle, we distribute useful overflow items to other charitable organizations in the city. WorldServe Thrift partners with recycling companies around the city and around the world, to keep clothing fibers, shoes, books, cardboard, glass, plastics, and electronics out of our landfills. For a complete listing of our partners, approved donations, and recycling options, go to www.worldservethriftstore.ca or call your local store.

SHOP

There’s something for everyone!

You may be a budget-conscious shopper, an eager treasure hunter, or a fun-loving fashionista—whatever your needs, you will find a friendly customer service team to help you. Our spacious, well-organized shop displays family apparel, shoes, linens, books, crafts/games, home décor, furniture, and collectibles. Shop often! Hundreds of new items arrive daily!

VOLUNTEER

Volunteers are the life-giving hands and feet, the vital link to the growth of WorldServe Thrift.

Whether you are new in the city, a longtime resident, a high school student, or newly retired, there is a place for you! Come meet new people, work on a team, share your skills, and find a place to belong. Your gift of time is an investment that multiplies immediately. Pick up an application form at the store or online at www.worldservethriftstore.ca

You can make a World of Difference!
